

Gaga Intensive Application & Registration Procedures

Before you apply, make sure you read the information about our intensive on our website and our terms and conditions. If you have questions that are not addressed by these materials, you are welcome to contact us at intensive@gagapeople.com

Application process

To apply, complete the following 2 steps:

1. Complete the online registration form. As part of the form, you must upload your CV in English and provide a link to a video of your dancing. The video should be 2 minutes in length. Share your skills and your passion to move. You must be clearly and completely visible, with no other dancers in the video.
2. Pay the non-refundable 150 ILS application fee through PayPal.

We will not consider any incomplete applications and will not review your application until the application fee has been paid through PayPal.

Selection

Applications will be reviewed and places will be offered on a rolling basis. Dancers will be selected on the strength of their application. We will notify you of our decision within 2 weeks of receiving your complete application; if you do not hear from us within that time frame, please contact us.

Deferment and waiting list:

If you are not selected to participate in the course, your application may be deferred to be viewed again by our artistic team at a later date. We will notify you by e-mail about a deferment and be in further touch to let you know if we can offer you a place.

If your application is received after our program is full, you may be placed on the waiting list. You may be accepted from the waiting list in case a selected candidate cannot participate in the course. We may offer you a place up to one week before the start of the intensive.

Payment

Accepted dancers are required to pay the tuition to secure their spots and will receive instructions on how to pay securely online via PayPal. **The tuition must be paid within a week of your acceptance.** If it is not received within this time frame, the spot will be given to another dancer. Upon paying the tuition, accepted dancers are considered participants.

In order to receive early bird discounts, dancers must submit their full application (application fee + registration form, including CV and video link) by the early bird deadline as noted on Gaga's website.

Participants are responsible for their own travel, food, and housing arrangements as well as for providing their own health insurance that will cover medical care for the duration of the program.

Cancellation

If you reserved a spot and need to cancel, please notify us as soon as possible.

- If you cancel up until 2 months prior to the start of the intensive: you will receive a refund of the tuition minus 500 ILS.
- If you cancel between 2 months and 1 month prior to the start of the intensive: you will receive a 50% refund of the tuition.
- If you cancel within 1 month of the start of the intensive: if we can find a dancer to take your place, you will receive a 25% refund of the tuition. Otherwise, there is no refund.

Course information

Participants will receive e-mails with additional information about the schedule, arrival information, work instructions, and forms to be submitted before the intensive.

Prior to the start of the intensive, participants will be required to digitally submit a health statement and a photography consent form as well as a declaration attesting that they understand the intensive does not certify them to teach Gaga.
